

A large blue heron is the central focus of the image, standing on a bare, dark branch. The heron has a long, sharp beak and a distinctive blue crest. Its feathers are a mix of blue and grey. The background is plain white.

# *White River Yacht Club Menu*

## *A brief history of the Club:*

*The White River Yacht Club traces its roots to March 16, 1938 when a small group of area boaters filed articles of incorporation with the Indiana Secretary of State to create the North White River Club.*

*After an intermediate name change to White River Boaters Associates, the Club in 1947 adopted the permanent name of White River Yacht Club.*

*On Easter Sunday of 1947, Smith Island, the present twelve-acre home of the WRYC became its permanent site. Members began immediately to restore the summer home located on the grounds, doing the work themselves, and financing the first mortgages.*

*Guests must be signed in before ordering, Thank You.*
